Koishii Akuma New Story

Hiro! This is Madara Hara.  
Thank you so much for getting  
"Koushi Akuma!"

This is Fruits and Vegetables that  
nature! Thank you very much! My  
editorial and I agreed to "draw a  
fruits some new scenes", and this  
is the result. I remember I kept  
doing my editor's work, to the  
story they're speaking of, com-  
ing. When Koushi Akuma first  
came out, I was almost the same  
of making the top of the title page  
synthesis, but when my editor  
checked, we realized there wasn't  
enough on the width of the title  
page, so I had to reduce it to  
the original. So really, it was  
an inconvenience for everyone.  
I'm so sorry.

This was a man I started doing my  
production, but I would be very happy  
if you liked it with a tiny bit. To  
all the people who helped with this  
work in any way, I thank you with  
all of my feelings.

Bob...  
What?

We're  
not...!

We're  
not  
going  
to it!

Snores

What  
the  
hell?!

Oh, that's  
right.

Like I  
ever be  
caught in  
an obvious  
trap like  
that!

**Idiot.**

He must be  
planning to  
ambush me, right?

This is  
Naruto,  
after all.

It's  
not  
over yet.

No.

He won't be  
able to wait  
it out. The  
attack will  
come soon.

We haven't  
done it at all  
recently and  
for various  
reasons.

stop  
obvious

...the  
GATE'S  
that way

He prob-  
ably has  
two or  
three  
lovers on  
the side.

Do not un-  
derestimate  
my deduc-  
tive ac-  
curacy!

There's no  
way this  
shameless  
Person King  
could stop  
halfway!

How dare he  
leave me  
hanging in the  
middle of it!

I  
know!  
Eyes

Keeping a  
cool face.

We'll  
finally be  
able to  
do it

I wonder if  
tonight...

Tonight.
